Dear Sir/Madam,

Greetings of the day!

Please find attached the End Term Theory Examination Schedule.

Kindly note the following important dates:

- Lab Examinations will be conducted from 30th April to 6th May 2026.
- Final Year Project Presentations for early joiners will be held on 6th May 2026.
- End term examinations are from 8th till 11th May 2026.
- All students who joined Cognizant need to present their project as part of the end term examination on 6th May 2026.

As the candidates are currently working at the Cognizant office, they will be required to travel to GLA University for their End Term Examinations.

In this regard, we kindly request you to grant sufficient travel leave so that Student can reach the university on time for their examinations. Considering that air travel may not be financially feasible at this early stage of employment, we request you to kindly take into account the travel duration via train while granting leave.

We would highly appreciate your support and cooperation in facilitating our academic commitments.

Thank you for your understanding.

Warm regards,

--

Dr. Praveen Mittal
